

LEAVE A LEGACY THROUGH IOCC

ST. BASIL THE GREAT left a legacy for the ages by establishing history's first orphanage, homes for the elderly, and the first Christian hospital.

Today, we continue his tradition with the St. Basil Society: an honorary society for those who leave a legacy to IOCC through a will or living trust, a charitable gift annuity, or a retirement plan or life insurance policy.

With a planned gift to IOCC, your legacy of Christian caring will continue beyond your lifetime.
